“Telephone”	P. 367
“LEXUS Park Assist”	P. 159
“Screen Setting”	P. 201
“Beep Off”	P. 199
“Adjust Clock”	P. 424

The initial screen

If the engine switch is set to ACC or IG-ON mode, the initial screen will be displayed for a few seconds as the system starts up.

■ To avoid damaging the touch screen

- Touch the screen lightly with your finger. If there is no response, remove your finger from the screen and try again.
- Remove any dirt on the screen by wiping with a soft cloth. Do not use detergent.

■ When using the touch screen

- If the screen is cold, the display may be dark, or the system may seem to be operating slightly slower than normal.
- The screen may seem dark and hard to see when viewed through sunglasses. Change your angle of viewing, or remove your sunglasses.
